THANK YOU: Since I am not here to personally say

"Thank You" this morning, allow me to include a little note in the bulletin to express my gratitude. Last Monday, January 23, my brother Wayne underwent surgery at Duke Raleigh Hospital to remove a cancerous tumor in his right lung. He came through the surgery **safely**, and indications are that it was **successful**. He was scheduled to stay in the hospital for 5-6 days, and he will be recovering and unable to return to work for about 8 weeks. I appreciate your prayers for his physical healing – and for his spiritual wellbeing. God bless!
