**GUIDELINES  
FOR SAFE**

**OPENING:** The health and safety of our people is the highest priority for

us in reopening the church. Here are some of the safety measures we are taking to ensure compliance with all government recommendations:

1. If you are displaying any symptoms of illness – **STAY HOME!**
2. You are requested to wear a mask when entering and exiting the building.
3. If you are in a high-risk category due to age or pre-existing health conditions, please exercise good judgment in deciding when it is safe for you to come back to church.
4. Additional hand sanitizer stations and disinfectant wipes have been placed throughout the church.
5. In order to create safe-spacing between people, every-other-pew will be left open in the sanctuary.
6. If you need a mask, they are available at the doors.
7. As many frequently-touched surfaces as possible have been removed or marked “Not in Service.”
8. Shaking hands and hugging should be restricted.
9. Please remember to keep the doorways at the front and back of the church and sanctuary open and unblocked so others may freely come and go. We would prefer, if possible, to have all socialization outside the building.

Thank you for your continued understanding and support.

**ONLINE GIVING:** Remember that giving is now as easy as downloading an app on your phone. To give online through our **Givelify** service just follow these simple instructions:

1. Download the free **Givelify** app through the **App Store** or **Google Play**.
