As the case count for  
Covid-19 remains high,  
we want to remind you  
of the safety measures  
we have in place.

**GUIDELINES FOR SAFE OPENING:** The  
health and safety of our people is the highest  
priority for us in reopening the church. Here are  
some of the safety measures we are taking to  
ensure compliance with all government  
recommendations:

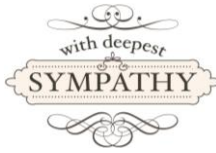

1. If you are displaying any symptoms of illness – **STAY HOME!**
2. You are requested to wear a mask when entering and exiting the building.
3. If you are in a high-risk category due to age or pre-existing health conditions, please exercise good judgment in deciding when it is safe for you to come back to church.
4. Additional hand sanitizer stations and disinfectant wipes have been placed throughout the church.
5. In order to create safe-spacing between people, every-other-pew will be left open in the sanctuary.
6. If you need a mask, they are available at the doors.
7. As many frequently-touched surfaces as possible have been removed or marked "Not in Service."
8. Shaking hands and hugging should be restricted.
9. Please remember to keep the doorways at the front and back of the church and sanctuary open and unblocked so others may freely come and go. We would prefer, if possible, to have all socialization outside the building.

Thank you for your continued understanding and support.
