MISSIONARY UPDATE: Dear Pastor Danny & Liberty Wesleyan Church,

Becky and I returned to the States this summer to reconnect with our friends and partnering churches. We enjoyed seeing those that we could. This month, we continue teaching students in the Philippines. After a long trip across the world, we'll find ourselves "home" again in Manila. As the new academic year begins, we look forward to seeing what God will do in young peoples' lives.

We enjoyed a respite from masks and social distancing while in North Carolina. However, Filipinos continue living under strict quarantine regulations because of the pandemic. This creates problems and possibilities for ministry. We cannot hold classes in person as we would like; however, the Philippine government now allows schools and seminaries to offer online courses, so we can offer courses to students around the world. Many students have taken advantage of this opportunity. . . We continued to operate and saw an increase in our enrollment. We thank the Father for trusting us with training these future Christian leaders. As always, we remain grateful for your partnership with the Father. Your church affects future leaders from around the world. Thanks for helping equip the equippers. Sincerely, Rev. Phil Davis, Ph.D., Associate Professor of Theology, Asia-Pacific Nazarene Theological Seminary
