**THANK YOU FROM THE PASTOR:** Just a quick update and Thank You following my motorcycle accident. I'm continuing to improve day-by-day. Doctor says broken ribs need about 6-7 weeks to mend. My pain is almost completely gone (unless I do something careless). Thanks for the many prayers, cards, and well-wishes! Pastor Danny

**UPDATE FROM THE JONESES IN**

**DEARBORN:** Fall is certainly my favorite season. There is something about the colors and cooler air that bring me so much joy! Beyond staring out our window at these trees, we have been quite busy these last couple of months. We've hosted a couple of teams, shared at some churches, and settled into new rhythms with Krista going back to work. Looking ahead, we will be entering a season of Partnership Development. In our transition back to Global Partners, our budget has increased. This is due to many factors including increased travel and health insurance costs for our family. We have several churches lined up in the coming months, but would love to keep connecting with existing partners and new partners alike! We know our biggest strength in Dearborn is being able to be present with our friends from the community. Your giving allows us to do just that. Your investment is making a difference in SE Michigan – and all over the world! Thanks! A. & K. Jones
