# Happy Father's Day

Who is the one person who can always make me smile?  
Even when I'm mad at him.  
Even when he makes me cry.  
Even when he makes fun of me or laughs at me.  
He is one of the people who has always  
been there for me,  
one who has always loved, cared, and provided for me.  
He is one of the two most important people  
in the world to me.  
Someone I LOVE with all my heart.  
He is my friend, my hero, but most importantly, he is my...
